

Utah State Firemen's Association

To Whom It May Concern:

Lehi has been selected as the host City for the 2016 Utah State Firemen's Convention. This convention will take place June 8-11, 2016, and the Lehi Fire Association is spearheading the organization of the convention.

Lehi Fire Department is very excited to bring this convention to Lehi City for the first time in 108 years. As you may know this annual convention attracts hundreds of firefighters and their spouses from all over the State of Utah. A large part of the success of this upcoming event hinges on the generosity of businesses within the Fire Service Industry as well as Lehi City and surrounding area.

The Lehi Fire Association is selling advertisement space in the program as well as booth space and sponsorship opportunities. Attached is a list of available opportunities for your business to be involved in. Please consider helping to make the first convention in Lehi a huge success.

If you have any questions please feel free to contact us.

Thank you for your thoughtful consideration and for your support.

Sincerely,

Kevin Beck, President
Lehi Fire Association
